### **Nordby Construction, one of North Bay's leading General Contractors, hires new Preconstruction Manager**

Santa Rosa-January 2008-Nordby Construction is pleased to announce that Mr. Mart Jaama has joined their team as a Preconstruction and Estimating Manager.

#### **Background**

Mart has over 30 years of experience in the construction industry. He has divided his work experience equally with both Contractors and Project Management/Consulting Firms. His expertise ranges from high rise office buildings to home renovations. The foundation for Mart's career began with a BS in Construction Management from Pratt Institute in Brooklyn, New York; a highly regarded Art, Architecture, and Engineering College.

With Nordby Construction, Mart will play a lead role during the preconstruction phase in Nordby's budget control activities. He will provide cost projections, long-lead procurement information, purchasing assistance, and schedule input.

#### **About Nordby Construction Company**

Based in Santa Rosa, Ca, Nordby Construction is a full-service general contractor. Founded in 1978, the company builds innovative, quality projects within commercial, technological, hospitality, non-profit, winery, tenant improvements, and multi-unit residential private sectors throughout Northern California and adjoining Western states. The company is one of the largest general contractors in the North Bay, with 60 employees and more than \$50 million in annual revenues. For additional information on Nordby Construction, its projects and services, visit the company's website at [www.nordby.net](http://www.nordby.net).
