Santa Rosa, California 95403

Dear Craig,

Again, many thanks for all you did for "our" event this year. Please know that it was greatly appreciated by Vista Center for the Blind and Visually Impaired as well as all of us who enjoy the event. Your Platinum sponsorship was most generous. The Horse Show is an extremely important source of funds for Vista Center accounting for over 30 percent of its annual revenue. Without it, critical programs and services would have to be drastically reduced. You'll be pleased to know that, with your help, we were able to give the Center over \$430,000 this year. Please know that you make a difference.

As promised, enclosed is a picture of a horse over your jump. It's a great picture.

The dates of the show in 2007 are August 7 – 12. Hope this fits into your schedule and budget. We go into full gear next February, but if we can count on our past sponsors returning it helps get us off to a good start. I've enclosed a pledge form should you wish to commit at this time. Invoices wouldn't be sent until June of 2007.

You have been a delight to work with. Thank you so much. You're very special to the show and I know to the Harveys as well. I realize that there are many charities that are in need of our dollar at this time, and the blind and visually impaired need us as well.

I wish you and your family a happy and healthy holiday season.

Should you have any questions, please don't hesitate to call me at any time.

With sincere appreciation,

Betsy Glikbarg
