#### ***Nordby Construction, a Leading North Bay Company, Announces New Field Management Hires***

SANTA ROSA – April 25, 2006 – Nordby Construction, a leading North Bay construction company, has made additions in its field management team as part of their continuous process to improve its services to clients in the area.

Daniel Thompson, Timothy Mullaly, and Darrin Rash have joined Nordby as Project Superintendents. Daniel has more than 27 years of experience in commercial construction as an apprentice, journeyman, foreman and superintendent. Tim has over 20 years of experience in residential and commercial construction. Darrin has more than 13 years of experience in residential and commercial construction, including owner of a construction company.

“These individuals bring a tremendous amount of diversified construction experience to our company, which is expanding,” said Peter Rosell, Vice President Operations of Nordby Construction. “Their talents will contribute greatly to our reputation as a quality North Bay general contractor.”

### **About Nordby Construction Company**

Based in Santa Rosa, CA, Nordby Construction is a family-owned, full-service general contractor. Founded in 1978, the company builds innovative quality projects within the commercial, technical, non-profit agencies, hospitality, winery, multi-residential and private sectors throughout Northern California and adjoining western states. The company is one of the largest general contractors in the North Bay, with 60 employees and more than \$50 million in annual revenues. For additional information on Nordby Construction, its projects and services, visit the company's website at [www.nordby.net](http://www.nordby.net).
