Nordby Construction, a Leading North Bay Company, Hires New Manager

SANTA ROSA – May 26, 2006 – Nordby Construction, a leading North Bay construction company, recently hired Mr. Kurt Lindquist to join its management team as Preconstruction Manager. Mr. Lindquist earned a B.S. in Construction Management from California State University, Sacramento, and has over 25 years of construction experience in both the private and public sectors. He has held positions of project manager, engineer, and operations manager. With Nordby Construction, Mr. Lindquist will play a lead role during the preconstruction phase in Nordby's budget control activities. He will provide cost projections, long-lead procurement information, purchasing assistance and schedule input.

About Nordby Construction Company

Based in Santa Rosa, CA, Nordby Construction is a family-owned, full-service general contractor. Founded in 1978, the company builds innovative quality projects within the commercial, technical, non-profit agencies, hospitality, winery, multi-residential and private sectors throughout Northern California and adjoining western states. The company is one of the largest general contractors in the North Bay, with 60 employees and more than \$50 million in annual revenues. For additional information on Nordby Construction, its projects and services, visit the company's website at www.nordby.net.
